*After a tough year, let us welcome a year that will unfold some good and happy times for us. Looking forward to being able to gather at chapter rallies again soon!
Happy New Year!*

Notes from the Editor

IMPORTANT!

Please see an important message from Denny Wheeler, our wagon master on page 3. He's looking for input on the April Rally and needs your input!

Also check out the 2021 schedule. We anticipate more rallies will be filled in as people receive the vaccine and we are able to gather again. Think about a rally location where you would like to host a rally sometime later in 2021!

An IMPORTANT message from the Wagon Master

Hello Coasters!

I would like your input about the upcoming rally in Kingsburg, California scheduled for the middle of April. Here's why: I want to start negotiating with the Kings River RV park in early January.

Please print this page, answer the questions, scan your answers and email it to me at sloden805@gmail.com.

If you aren't able to scan your responses, just email me sloden805@gmail.com with your answers to the questions.

Since the Coronavirus may still be hanging around, before answering these questions please keep in mind that the Kingsburg Rally will consist of mostly indoor venues, including:

- A visit to an automatic walnut processing plant.
- A visit to a dairy farm by bus.
- A visit to a milk processing plant where they make ice cream, and other milk products.
- Our meals, however may be held inside the clubhouse, or outside under a tree.

I would appreciate your response as soon as possible. This will give me a general idea of how many people plan on attending the rally.

1. I plan on attending the Kingsburg rally? Yes or no. (Circle one).
2. I will definitely not be attending the Kingsburg Rally. Yes or no. (Circle one)
3. I think it is best to hold off the planned rally until April 2022. yes or no. (Circle one)
4. I will go to the Kingsburg rally if I can get a Coronavirus shot. Yes or No. (Circle one).

On another subject, I have had 2 responses to the December 1, 2020 *Wagon Master Corner*. This was about an alternate trip on highway 395 up the eastern side of the Sierra Nevada mountains. One was from Mark Sobel who suggested adding a stopover in a park near Mammoth where he has stayed before. The other was from Dave Burns who asked why not have both the Kingsburg Rally AND the trip up Highway 395. This would then be in May. He made some logical changes in this trip. I have considered both of these and will take them seriously into consideration. Thanks to both Mark & Dave for your help.
