SOUTHWESTERN BUS NUTS NEWSLETTER

...AND THE WHEELS GO AROUND AND ROUND
BUT IT TAKES OUR BUS NUTS TO KEEP THEM GOING!

...AND OUR TIRES ARE LOSING AIR!!!!

From the President's Desk.....

Dear Bus Nuts,

Because of the timing of this Mini Newsletter and the death of Jackie this morning, I have elected not to ask Gene for his input for this issue.

I have spoken with him recently though, and he encourages members to invite their friends to join our club. He and Jackie recently sent out 70 invitations to new members of FMCA in our area. Hopefully, we can get some interest!!!

He also informed me that 30 reservations were made at the new Costa Vista Resort, in Chula Vista, for the SWBNs for a New Year's Eve Rally in 2021. I understand that it is under the same ownership/management as the Chula Vista RV Resort that we have had rallies at in the past. To see more, go to the website.

<https://www.sunrvresorts.com/costa-vista-rv-resort/>

Now to this year! We have a rally coming up in September that I hope we will be able to proceed with. The Registration is included and attached. I believe Gene is still looking for Trail Bosses to man the NYE Rally.

That is all I have for now; we will keep you posted. Please send in your registration form and check for September, as our Trail Bosses need that info. If the rally is to be cancelled due to Covid19 restrictions, we will let you know, and any checks for the club portion will be returned....I don't know how the parking fees will be handled.

Take care, stay safe, wear your mask and social distance!!!

It is with extreme sadness that Gene has asked me to announce the passing of his beloved wife, Jackie Le Meur. As many of you know, Jackie had suffered with a respiratory illness and had been on Oxygen for many years. Actually, she has suffered thru many illnesses and injuries and was on a scooter all through the time that Ron and I had known her, but this lovely lady had always bounced back with her beautiful smiling face. This time, it is not so.....

Jackie was taken to the hospital by ambulance yesterday afternoon. Gene followed and was with her at the time of her death about 4:00am this morning.

I'm sure you can all appreciate how very tired and saddened by this upset he is; as a suggestion, while reaching out might be the first thing that you would like to do, Gene could probably use a few hours without phone calls to not only sleep but to absorb this major change that has taken place in his life, without him having to repeat conversations. Emails or cards would be best for now, but certainly a kind, live voice in a day or two would be appreciated...or if he calls you.

In case you are wondering, Gene did say that there would be no services.

I am sure that there is no doubt that Jackie's passing will be a loss to all who knew her.

May the peace and comfort you receive from SWBN's, friends and family be with you, Gene, as you go through the emotions and steps ahead. May the many good memories you have with Jackie keep you strong.

TAKE CARE OF YOUR BODY. IT'S THE ONLY PLACE YOU HAVE TO LIVE IN.

Our prayers may be awkward. Our attempts may be feeble. But since the power of prayer is in the One who hears it and not in the one who says it, our prayers do make a difference.
