

President's Message

We're all adapting...

Hello Everyone,
Christine and I hope this note finds you healthy and safe. We're all adapting to these unusual times due to COVID-19. The world beyond my front door feels tiny and humbled by the

pandemic.

Everything is different today than it was the last time I sat down to write this column. Many of our favorite restaurants, stores, and campgrounds have closed, some for good. Many, if not all of our summer travel plans and family trips have been put on hold or cancelled.

As you know, FMCA had to cancel both conventions for 2020. The next scheduled events will be Perry, GA, in March 2021, and Gillette, WY, in July 2021. We are working with the folks at the Pima County Fairgrounds in Tucson to possibly return to the facility in March, 2022. At the current time we in the Western Area are moving forward with our planning for the 2021 Indio Rally. We will keep our eyes and ears open

and if need be we will postpone the Rally to the following year.

We, on the FMCA Executive Board, are dealing with situations and making decisions that we have never had to face. We are having video conference calls making sure that our moves are the correct ones to take. FMCA National President Jon Walker has been going to bed late and rising early trying to make sure that the Association stays healthy in these hard times. He has daily meetings with the staff. FMCA has closed both of its Cincinnati offices and all staff members are currently working from home. Sadly there has been several reductions in its workforce. Jon and the staff surf all sorts of RV, business and pandemic related news outlets to make sure we/FMCA stays ahead of any changes that could adversely affect our membership.

I feel the frustration of our chapters not being able to attend rallies and socialize with each other. I suggest that your chapter stay in touch with your members -- to make a connection and be reassured of the bond that we have with one another. Some chapters have established a "sunshine" group or email chain that makes sure that their members are doing well. This will help fill the void of a very light newsletter, which may no longer contain much, if any, rally-related news.

Please keep feeling those good positive thoughts and we will get through this together.

President's Message (Con't)

Last, but not least, please remember to give a special **"Thank You!"** to everyone in the medical community; first responders; truck drivers; grocery store clerks; and countless others who keep our Nation and world functioning and safe.

Until we meet again,

LON CROSS, F233066
Western Area NATIONAL VP of FMCA
WMHA PRESIDENT

Indio Captains needed!

Do you want something else to do at our Indio rally? Do you feel a need to get involved? Would you like a challenge? Well, we have an opportunity for you. We are in need of the following Indio Captains:

- Volunteer Dinner & Vendor Party
- Sign Shop
- BINGO Manager
- Parade
- On-Site Registration
- Newsletter (Byways) Editor

If you have any questions or would like more information on these exciting and challenging positions feel free to contact Lon Cross at 661-886-5077 or Bob Golk at 661-599-3548 and thanks in advance for stepping up.

Senior Vice President's Views

Oh, how our world has changed over these past few months. I look out our window and see our motorhome parked beside our house, waiting to go somewhere. In the 16 years we have owned this coach it never sat

idle for more than 2 months. On average we would take it out once or twice a month. Our neighbors often commented on how much we used our RV as compared to most others they have seen that sat idle for most of the year. Due to a seized A/C compressor and subsequent shredding of the serpentine belt and resulting damage by the belt wrapping itself around the cooling fan, we now have a new belt, new hoses, new fan, new radiator, etc. Along with new tires last year, our coach is ready for some cross country travels. Here is hoping things loosen up shortly so we can get back on the road and do what we all enjoy so much.

I have been asked lately the status of our Indio rally in January. It is too early to give a definitive answer. I can tell you we are pressing on as though the rally will take place. There is plenty of pre-planning involved that cannot wait until the last minute. First up is the WMHA Executive Board meeting where we put together a budget. This is especially difficult this year with all the unknowns to contend with. The first step is to look into the crystal ball and determine how many attendees we can expect. We always hit this pretty close over the years until last year when there was a sharp

Senior Vice President's Views (Con't)

drop in attendance. We are not sure why.

This year presents an even greater challenge in determining what to expect attendance-wise. The EB has already had discussion on this subject. So, stay tuned as we go forth and set all the rally planning in motion. These next few months will be a real challenge.

Please take care and stay healthy. Debbie and I are looking forward to the day when we will get to see everyone again.

Northern Area Vice President's Message

I would like to thank all of my chapters and captains for 4 years of hard work and fun!

Those years have flown by quickly. This is the last article that I will be writing. So my wife, Jeanette, and I are saying our "Goodbyes and thank yous!" to all of you who have contributed to wonderful FMCA experiences and

memories!

Thank you, again for everything, and always remember: "It's all about having fun!!"

Northern Area Vice-President

Central Area Vice President's Message

Following the Indio Rally we visited with our Ridgecrest Elks Sidewinders RV group in Quartzsite, Arizona for about 10 days. Always a fun campout every year.

From there we visited with friends who have a winter place in Salome, Arizona. They winter every year in

Salome as they live in northeastern Montana. (BRR).

We all spend a lot of our time four wheeling in the surrounding desert in our Razors. There is a lot of Arizona history to explore in the area. The RV Resort where we stay, (The Desert Palms RV Resort) has an RV off road club that is very active. There are a lot of 4 X 4s in the camp.

In March our trip was cut short due the world situation. Always better to be home in times like this. On the way home we had a little tire problem in the Palm Springs area. We were able to spend 2 days in the Palm Springs Thousand Trails Resort and get the front tires replaced.

Not much else going on. We are all in the same situation. Getting a lot of honey dos accomplished around the house. I am sure Joanne still has a long list for me.

Pray for our nation and the world. We will endure and this virus will soon come to an end.

We are looking forward to getting back on the road again, with lots of stories and lots of good friends to share them with.

Please guard your health.

Southern Area Vice President's Message

How do I write something worthy of reading in the middle of this mess – CORONAVIRUS 19? I do have someone else's saying about those who elect not to adhere to the safety guidelines; they're COVIDiots! This is not the first time Marilyn and I have been "Confined

To Quarters" (military term). The typhoons that ravaged Okinawa, Japan, caused us to remain inside, buttoned up, during weather condition A1. Speaking of typhoons, did you know the entrance doors on the homes on Okinawa open out as compared to ours here in the states. This prevents them from being blown open!

Writing this short expose is considered a nice respite from remodeling the master bathroom. From crown molding, retiling the shower, new flooring, and don't forget the new toilet and paint. It will be a new room and I'm hoping it will be an improvement. Because this will take some time, I spend half days on this project, and the other half on cleaning a very neglected work shop and my wife's famous honey-do list. Some wives have famous cookie or cake recipes, others have intricate craft skills, mine, a doable, complex, "this has to get fixed list."

Based on no empirical evidence, supported by a big dose of I don't know what I'm talking about, I believe we will remain sequestered until June 1st. With that in mind, I've elected not to cut my hair or trim my beard. Not cutting my hair is in solidarity with Marilyn; she can't make it to the hair dresser. If she can't get her hair done, then I won't get mine cut. I think I got the better on this agreement!

That brings us to our last major accomplishment during lockdown. You take a couple of 70+ year olds, a remote, Amazon Prime, Netflix, Hulu, You Tube, etc., you have

the potential of seeing some really confused, frustrated, bad tempered seniors. But I remembered we could call our 16 year old grandson. He grew up with this stuff. After watching him develop patience as he instructs us on the ins & outs of these TV sources, we are now masters of our own TV.

As I look for the light at the end of this pandemic tunnel, I see getting back to our FMCA friends, rallies, and our regional WMHA regional rally in January

MEMBERSHIP/ CHAPTER FAIR

As with most everyone else the past month plus has been fairly slow as we have had to “Shelter in Place” and not be out socializing at rallies, etc. Hopefully this will be over soon.

I hope that none of our members have been ill from the virus or lost any of their loved ones.

I just received another list from the National Office of new FMCA members that are from the Western Area. Not as many for March as usual. I continue to send “Welcome “ e-mails out to the people listed. Sometimes I have a number of responses other times not that many – I continue to do this because I feel if we can get at least four or five members into chapters we are ahead.

At Chapter Fair it is nice to meet the people from the different chapters who represent their chapter and are presenting information about their chapters to new members.

I will mention again that if there is anyone out there who feels that they would like to become the membership/ chapter fair chairperson please feel free to contact me. The job doesn't take a lot of time and when you are able to get someone that is new to FMCA interested in a chapter it leaves you with a good feeling. When we are able to get members interested in a chapter they are more likely to stay in FMCA.

If you might be interested you can contact me at: cell phone 530-519-7346 or e-mail bernardfrogfarm@yahoo.com.

Also as I mentioned previously I have done the Volunteer Coordinator for Indio for a number of years and if there is someone out there who would like to be part of the volunteers who help our rally happen here is a job for you.

There again if you might be interested please contact

MEMBERSHIP /CHAPTER FAIR (Con't)

me and I will give you some information.

I hope that everyone stays well.

Membership, Volunteer Coordinator
and Chapter Fair Captain

Need a Western Area Badge?

Anyone who is interested in a Western Motor Home Association badge please contact Alice Bernard by phone: 530-934-7346 or cell phone 530-519-7346 or e-mail: bernardfrogfarm@yahoo.com
The price of the badge is \$11.50 (Which includes your name and F number). The hangers are \$2.75 each. The hangers can be for your city or your job or your chapter. You may have several hangers if you like.

Then click on Download the Original Size
I would then click Save As, and give it a name and location to Download. (I put them in a Folder on my Desktop called "Photos" and make a new Subfolder called (?) "Indio")

Once Downloaded, you can choose to either; keep it, e-mail it, print it, or save on CD to have printed somewhere else.

Election of Western Motor Home Association Officers

Voting of candidates is done by the WMHA Corporate Board of Directors. The Corporate Board is composed of the WMHA Executive Board and includes each Chapter President and National Director. In the event that neither the Chapter President nor the National Director are unavailable to vote then the Chapter Vice-President and Alternate National Director shall vote.

Ballots will be sent to each of the Corporate Board members and returned no later than June 1, 2020. Voting will be by way of electronic mail. The results will be announced, by letter, to the Corporate Board no later than June 15, 2020.

To: Western Area FMCA

Nominating Committee Hello, I am submitting myself for consideration to run for the Western Area Central V.P. position.

My wife and I have been married for 47 years. We have three children, Stacey, Christopher and Elizabeth. We also have seven grandchildren and two great grandchildren. My wife and I are both retired, I from a small business in Loma Linda, Ca, an automotive, RV and marine repair business and my wife from California State University at San Bernardino. We now reside in Colton, Ca.

We have been RVing for 47 years. We started by borrowing my in-laws trailer, then an eight foot slide in camper. We have owned a couple of 5th wheel trailers and now have a 38 foot Holiday Rambler Endeavor.

We have been members of FMCA HMC Chapter for many years. My wife, Paula is a Director on the board and I'm the Alt. National Director. I have been the Captain of Table and Chairs for the past 4 years for the Western Area of FMCA.

We are familiar with the inner workings of the executive board and have attended many board meetings.

I will put forth all the effort needed to fill the shoes of Fred Wells, (my boss), in the future.

Respectfully,

Rick Ammerman

I would like to be considered for the position of WMHA Southern Area Vice President. My wife and I feel this would be a great opportunity to be involved in an organization that would be of great benefit in making new friends, while trying to help out where and when needed. I believe my life experiences may be of some use.

I was in the Marine Corps from 1966 to 1970. My wife Carol and I have been married for 49 years next month. We have raised two fine daughters who work in computer technology and Kaiser Hospital emergency services.

I retired 5 years ago as a Senior General Property Insurance Adjuster, dealing with large disaster work such as floods and hurricanes. During these years, and currently, I have done volunteer work at our church in both teaching and general custodial service.

I have owned a variety of RVs, including two 5th wheels, a class C and my current class A in which my wife and I **have traveled extensively across America. In 2015, we were on the road** for over 3 months and met people from various walks of life. We found many people who were members of FMCA and we became interested in joining.

Shortly after our trip, we joined the California Chapter of FMCA and continue to this day. We have enjoyed RV clubs so much that we also joined the Elks Lodge's "Breezys" RV club in Ontario, CA, and also the Southern CA FMCA Elk chapter. I have volunteered at our California Chapter rallies as the "Cart Captain" and assisted others as needed.

Finally, we have attended three Indio Rallies and found the program to have great opportunities for service, as well as a time of fellowship and learning.

I believe I can be an asset to WMHA and can work closely with Dave Franke. Your consideration of my service is greatly appreciated.

Thank you,

Jesse E. Bassford

I am running for WMHA Senior Vice President and am asking for your support. My background is varied and lends itself to the position I seek.

After college I was required to enter military service and spent the next 27 years working with, leading, and providing assistance to Marines and their families. While military service was challenging, it gave me the opportunity to earn two advanced degrees, an MBA and Masters in Financial Management.

During these years, my wife Marilyn and I were assigned to many military facilities. It was during these transfers that our love for RVing began. With two children in tow, we crisscrossed the US with our first RV, a basic tent trailer. By basic, I mean sleeping space only! This was corrected and our next tent trailer had the necessities - sink, heater, water pump, etc. RVing was improving!

But RVing wasn't my only additional interest/activity. Boy Scouts has been a major cornerstone. It all started when I became a Den Leader for my son's den in Monterey, CA., with young grade school kids and young new parents. How do you spell patience and calmness? Scouting didn't stop there. When two of my grandsons lived with us, both went into cubs and again I became a Den Leader, plus awards chairperson and treasurer. This was followed by Boy Scouts, a high adventure troop for which I am still with today even though the grandsons have moved on. As an Assistant Scoutmaster, I specialized in training young men in multi-day backpacking and Belay rock climbing. Working with senior scouts and parents, listening, understanding, and providing feasible solutions, has been my hallmark in Scouting.

With the purchase of our motor home, Marilyn and I joined FMCA when we attended our first Indio rally. It didn't take long for us to see the friendliness and cooperation amongst the volunteers and attendees. During this rally, we also joined the Calif. Chapter FMCA. Believing you should contribute to organizations you join, I became the Chapter's newsletter editor, Alternate National Director, and was a Trail boss for numerous rallies. At the Indio rally as a member of Calif. Chapter, I was the Assistant Day Pass Captain. It was a pleasure to meet and greet rally attendees. Realizing the more chapters you belong to the more fun you can have, we are also members of Beat the Odds and Southern Calif. Elk FMCA.

Listening and learning from experienced Trail bosses, Marilyn and I co-chaired Calif. Chapter's Oktoberfest for 2 years in a row. A smaller scale of WHMA's Indio rally, Oktoberfest has the same components such as team captains, budgeting, catered meals, entertainment, and games to name a few. It was during my time with Calif. Chapter I ran for and was elected as the Southern Area Vice President, WMHA. I am grateful and honored for being elected. Charged with visiting chapters during one of their rallies, I had the opportunity to meet members who make FMCA great. To listen, pass along what is new from FMCA, and take concerns and suggestions to the WMHA or higher is a responsibility I take seriously. As the Southern Area VP at Indio, my task is to directly support the captains in their functional area. Each area has its own material needs, time schedules, personnel assignments, varying locations, and unforeseen difficulties.

Being a member of the Executive Board, WMHA, I participated in budget preparations and policy decisions. I listened, watched, and learned from Board members. I asked questions from key persons of WMHA who have volunteered in specific jobs for years and have a wealth of knowledge. I continued to see how the Indio rally is put together by attending the Fall contractors meeting. Through the meetings with Fairgrounds personnel, electrical contractors, tent providers and the contracted security company, I learned how the many facets of the Indio rally fit together.

David Franke (Con't)

I believe I have the experience to listen to all voices, the leadership to get the best out of volunteers, patience, and above all, a desire to do my best. I hope I have been and will continue to be an asset and contribute as a member of WMHA. My wife and I both agree that the WMHA is comprised of the most wonderful people we have ever met. With your support it will be an honor and privilege to serve as your WMHA Senior Vice President.
