Presidents Message...

Vice Presidents Message

Hello Fellow Ramblers. Don is still working on getting stronger hopefully we will see him and Marian before to long.

In the meantime, we will carry on. Tom Myers is checking with the Elks Club to inquire about holding our Annual election of officers meeting. Hopefully by the end of February we will have a set date and time.

I want to thank all of you for supporting our rallies. Bob and Mary Ann just put on a great rally in Parker. They had a lot of activities and great food.

Thanks you two and Terry for all your hard work,

HOPE TO SEE EVERYONE IN FEBRUARY AT THE AVI.

Parker Arizona Rally

We had another great rally held at Buckskin State Park right on the river, There were eleven coaches, including a guest couple, Dave and Marilyn Franke, visiting from . Western Regional FMCA. Thank you for your visit, we hope you had a great time.

We also welcomed two new members, Rich and Holly Caruso from Prescott Valley AZ Welcome aboard, Rich and Holly.

The weather was wonderful, blue skies, sunshine and no wind. Carl Made a bean bag game (corn-hole) and we had a tournament. Last two standing were Kathie Richmond and Keith Sheeler. They each received a \$25. Gift card for In and Out Burger.

As usual, no one went away hungry. We had two BBQ dinners where everyone brought their choice of meat and Bob and Maryann provided a variety of side dishes. We also went to a

great restaurant (Havasu Springs Resort). Great food great service.

Thanks to Keith, we were able to have a nice fire every evening while sitting and chatting. We did miss the Crows and Lays who were under the weather and unable to attend.

Terry was going to offer rides in his pontoon boat, but the river was so low he couldn't launch it. Thank you Terry, for all your help with the rally.

All and all it was a great rally. Thank you for attending. Hope to see you at the next one at the AVI Casino.

RV History Lesson

Motorized RVs From the earliest days of "motor camping," (that is camping with motorized vehicles either to drive or to pull a trailer) driven

RVs were known as "house cars."

Visit the independent nation of Molossia in a tiny piece of Nevada

In this week's Western Views, Len Wilcox takes you to Molossia, a tiny piece of Nevada proclaimed an independent micro nation by its self-

appointed President and Dictator, Kevin Baugh. Molossia has a flag and its own currency, which is not based on silver or gold, but something really valuable and important: chocolate chip cookie dough.

In case you never heard of Molossia, it's one-and-a-third acres of Nevada desert land about 30 miles east of Carson City. President Baugh declared it a micro nation back in the 1990s. He's built his own little kingdom there, and 33 people claim citizenship – though only 3 live in the Molossia homeland.
