**NATIONAL PRESIDENT**

Hello, FMCA Friends,

My wife, Sondra, and I are so happy to be with you here at the Riverside County Fair & National Date Festival in Indio, California as we celebrate "At The Hop," the 2020 Western Area Rally. So many fun things are on tap this week, and we can't wait to enjoy them alongside you. Visiting with our fellow FMCA members at rallies is one of the best parts of serving as president of FMCA.

Western Area national vice president Lon Cross and his wife, Christine, along with assistant rally master Bob Golk and the many Western Area volunteers have worked hard to plan a slate of activities that will keep attendees busy from sunup to sundown.

We have no doubt that you all are in for a great time. Be sure to check the many offerings outlined in this program.

If you see us here at the fairgrounds, stop us and say hello. These rallies provide great opportunities for catching up with friends and meeting new ones, and I'd encourage you to make time for socializing in the midst of all of the activities.

Thank you for joining us here at the rally. And, by all means, have fun! As FMCA members know, that's what it's all about!

We welcome all of you to Indio

Christine and I welcome you to our 32<sup>st</sup> Annual Western Area Rally. We have the perfect location here in the desert city of Indio, California in which to hold our WMHA Rally themed "At The Hop". We have planned an active fun-filled schedule for you, and we hope that you will have a wonderful time with fellow attendees.

I would like to extend a big "Thank You" to all of the many Vendors, Sponsors, Donors, and RV Display Dealers for your continued support. Without their participation we could not have as much fun at this rally! Thanks also to the Riverside County Fair & National Date Festival along with the Indio Police and Traffic Departments for their cooperation in helping us plan this event.

I also want to thank the hundreds of Volunteers and the many Captains that have spent numerous hours making sure everyone has a great time. And to the WMHA Executive staff, and their spouses, a big thank you of appreciation for the work they do all year working with their regional chapters and assisting in so many ways with the Indio Rally.

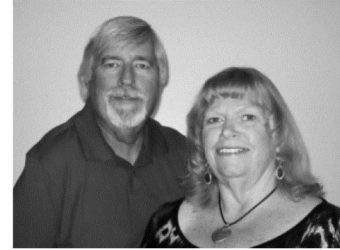

Each morning please enjoy a fresh cup of hot coffee, a pastry, and the music of the Frustrated Maestros while enjoying fellowship with other attendees. The Maestros will also be performing during both of our two Ice Cream Socials. Don't miss the PARADE on Thursday afternoon when chapters enter their version of the Rally Theme.

At 1 o'clock on Friday all the Ladies are invited to attend the "Ladies Luncheon" (a fee is required). Each evening is highlighted by a variety of entertainment starting with Bingo on Wednesday and professional entertainment on Thursday, Friday, and Saturday nights.

On behalf of the Western Motor Home Association Officers, Captains and Volunteers, we **THANK YOU** for choosing to join us as part of the ever expanding FMCA family. We hope your time spent with us was enjoyable and we hope to see you again next year.

Yours Truly,

Lon Cross, F233066  
2020 Rally Master  
President Western Area  
National Vice President Western Area

Greetings to all WMHA Rally attendees:

Debbie and I are very happy to welcome everyone to the 32nd Annual Western Area Rally in Indio, California. We hope you have an enjoyable time.

The theme this year is “**At The Hop**” which I’m sure will spark some fond memories of a happy time of our youth and what a better place than our Indio rally to recall those happy days. A good time is on tap as we once again will offer a bus tour on Tuesday before the rally. This time we will be touring the giant wind mill farms in the San Geronio Pass where you will be up close to these giants and learn how they work. Once again we will offer party spaces to chapters that bring in a minimum of one-third of their certified membership (ten coaches minimum). This is a \$100 dollar value. Of course there will be the wonderful seminars and crafts as well as a First Timers Meeting for first time attendees. I encourage you to visit the Chapter Fair and meet representatives of various chapters in the Western Area to see if one is a good fit for you. The fun continues with Bingo, Parade (don’t miss this), Ladies Luncheon, Pet Extravaganza, and two Ice Cream Socials.

Coffee and donuts will be served Wednesday through Sunday mornings from 7:00 a.m. to 9:00 a.m. with morning entertainment provided by the very talented Frustrated Maestros. I’ll be there each morning so feel free to walk up and say “Hello.”

This rally wouldn’t be possible without the financial support of our vendors, sponsors, display coach dealers and the dedication of our many **volunteers**. On behalf of our entire staff, a big **THANK YOU** for attending our rally. We hope you enjoy yourself and will be joining us again next year.

Sincerely,

*Bob Golk*

Bob Golk, F316752  
2020 Co-Rally Master  
WMHA Senior Vice President

To All the Participants and Friends of the Annual Western Area Rally:

It is my pleasure to welcome each of you to the FMCA Western Motor Home Association's 32nd Annual Area Rally in Indio from January 8 – 12, 2020. We are very happy to have you and your loved ones in our city.

Very recently, the readers of USA Today and 10Best named TWO of Indio's RV resorts in their Top Ten favorite locations for 2019! The Desert Shores Motorcoach Resort was ranked as #4, and the Motorcoach Country Club came in as #1! No wonder, then, that Indio ranked as the No. 2 Emerging Travel Destination and the No. 30 Fastest Growing City in the Country.

During your visit, we hope you explore many of the attractions Indio offers such as the Indio Performing Arts Center for live theatre, the Coachella Valley History Museum for history buffs, and the Date Shed at the Empire Polo Club for dining and live music. Additionally, Fantasy Springs Casino Resort offers bowling, dining, and live music. A very popular attraction is Shields Date Garden and Café, which is now open for breakfast and lunch. If you have the chance, stop by TKB Bakery and Deli, ranked by Yelp as No. 1 on their list of "100 Best Places to Eat in the U.S." Other notable spots in our city are the Jackalope Ranch Restaurant, Steers Bar & Grill, the Coachella Valley Wild Bird Center, and the Lights at the Indio Golf Course – the only golf course in the Coachella Valley opened at night.

We look forward to seeing everyone at the parade – this year themed "At the Hop!" – and presenting the Mayor's Trophy to the winner.

Enjoy your stay and we will see you again next year!

Sincerely,

Glenn Miller  
Mayor, City of Indio

January 8, 2020

Dear Attendee:

Welcome to the Coachella Valley and our desert oasis. With seemingly endless sunshine as your backdrop, there are many exciting, fun and relaxing things to do during your visit. Renowned for its warm, dry weather, outdoor activities and restaurants, the desert truly offers "something for everyone".

From its humble beginnings in a downtown Indio park in 1921, the Riverside County Fair & National Date Festival has blossomed to the must-see attraction it is today. For 10 days every February the grounds come to life with carnival rides, concerts, animals, community entertainment and many other shows all to celebrate the abundant little fruit of our valley – the Date! The Fair continues to be a perfect family-friendly experience and will celebrate its 74<sup>th</sup> year in 2020.

On behalf of the Riverside County Fair & National Date Festival, I would like to personally welcome everyone to the 32<sup>nd</sup> Annual Western Area Rally. We are proud to be the home of this wonderful event! We wish the Family Motor Coach Association continued success with this year's "At the Hop!" rally. Cheers to a "rocking" good time to be had by all at this year's event!

Sincerely,

*Veronica Casper*

## Neon Circus - Brooks & Dunn Tribute

When **Brooks & Dunn** decided to hang up their hats in 2010 after a successful 20 year career on the road, it left a big void in the hearts of their fans. In 2011 the concept arose to form a tribute act that would rival the duo's touring road show and live sound, and Neon Circus was born. Named after the 2002 tour, **Brooks & Dunn's Neon Circus and Wild West Show**, Neon Circus has been successful in continuing the legacy of the country music icons with the help of RK Ford (Ronnie Dunn) and Tim Johnson (Kix Brooks).

Currently **Neon Circus** is touring the U.S. as a headlining act in showrooms, theaters, festivals, fairs, large clubs and private functions. Neon Circus has accurately recreated Brooks & Dunn's exciting live show down to the last detail performing hit country anthems like My Maria, Neon Moon, and Boot Scootin' Boogie. To the delight of millions of country music lovers Neon Circus continues to honky-tonk up the stage every night, and so, the cowboy legends live on.

## DICK HARDWICK

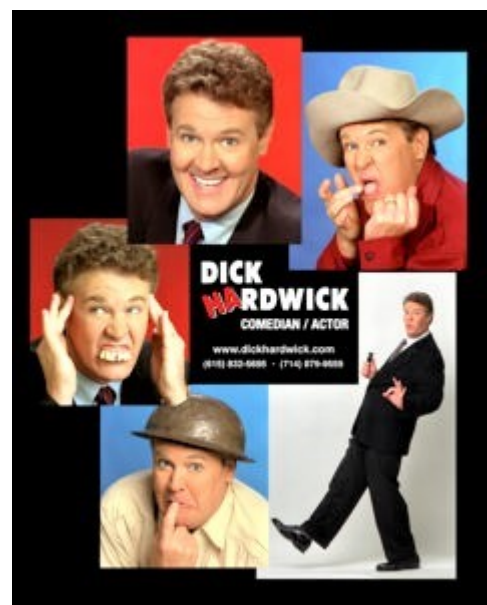

**Comedian**

**Dick Hardwick** offers a mixture of Music and Comedy. A comedian who provides clean comedy entertainment. Dick Hardwick is one of the most sought-after corporate and special event comedians in the country, Dick is known for his quick wit, "off-the-wall sense of humor" and ability to know what works for any audience each and every time he hits the stage. It was his dad who first taught a young Dick Hardwick to play those "sparkling drums." Since then the naturally musical Hoosier has picked up the guitar, string bass, harmonica, jaw harp, bones, washboard, and calliope.

One thing for sure, wherever and whenever Dick performs, he gets big laughs without ever using any offensive language, four-letter words, or off-color jokes. *"I have never felt that it's necessary to 'work blue' to be funny,"* he says. *"And my career has absolutely proved that to be true."*

# WELCOME TO BAKERSFIELD

THE SOUND OF

## Something Fun

THE SOUND OF *Tastes*

Bakersfield is famous for its many Basque restaurants, but it also has very diverse dining options. Thrillist.com named local eatery Nuestro Mexico as serving the "Best Tacos in the State of California." Area restaurants have hosted visits from both Alton Brown and Guy Fieri from the Food Network. Bakersfield is also home to the last Woolworth's lunch counter still operating in the United States. If you're in the mood for Mediterranean, have a craving for calamari, or even a hankering for a hamburger, Bakersfield has a restaurant to suit your taste.

THE SOUND OF *Family Fun*

Wallethub.com named Bakersfield the number one city for family entertainment. That's no surprise considering all of the family-friendly venues and attractions in Bakersfield. Camelot Park has an arcade, go karts, bumper boats, mini golf and more. The BLVD has bowling, laser tag, a ropes course, arcade games and great food. Flight Fit N Fun has wall-to-wall trampolines, climbing structure and a ninja course. Dewar's Ice Cream and Candy Factory has been serving delicious treats for more than 100 years and they give factory tours. California Living Museum (CALM) is home to more than 250 animals native to California.

THE SOUND OF *Entertainment*

California's ninth largest city is full of things to see and do, with live music, comedy, museums, family fun spots and more. Bakersfield is also the racing capital of California with four of the most active raceways in the state. There are a number of live playhouses in the city if you want to catch a live performance. With live music almost every night of the year at Bakersfield's many venues, there's always something happening in Bakersfield. Looking for a unique movie-going experience? We have two movie theaters with a full restaurant menu and bar with in-theater service.

THE SOUND OF *Culture*

Explore the Bakersfield Art Trek and discover a walking tour of almost 100 pieces of public art and galleries in the downtown Arts District. On the first Friday of every month the downtown streets abound with fun experiences at the First Friday Art Walk. There is art, live music, and more. Every October the Bakersfield Museum of Art hosts the annual weekend-long Via Arte Italian Street Painting Festival, turning a parking lot into a beautiful temporary art gallery.

THE SOUND OF *Adventure*

Looking for some adventure in the great outdoors? Bakersfield has everything from hiking, biking, fishing, boating and more. The Kern River Parkway Trail is a 30 mile paved path that runs through the city. The mighty Kern River offers whitewater world-class rafting experiences for everyone from beginners to experts with Class I to Class V rapids. Just south of the city, the Wind Wolves Preserve is the west coast's largest non-profit preserve with bird watching hikes. Wild Wolves also hosts night hikes and movies in the canyon, a fun way to enjoy the great outdoors.

THE SOUNDS OF *Bakersfield*

The Bakersfield Sound is a sub-genre of county music that got its start in the honky-tonks and dance halls in the area. Musicians like Buck Owens and Merle Haggard made our own brand of music world famous. In the mid 1990's another group of musicians from Bakersfield went on to create their own unique sound and performed in packed arenas around the world- you know them as KORN. Bakersfield is also known for its large scale, annual Jazz Festival and its weekly, free Jazz Workshop every Tuesday night. The music of Bakersfield sounds like a good time.
