

Western Motor Home Association, Inc
Chapter Information

Dear FMCA Friends,

Welcome to the 32th Annual Western Area Rally! We are delighted that you are here and would like to cordially invite you to attend the Chapter Fair on Wednesday, January 8th, 2020 at 1:30 PM in the Commerce Building immediately after the “First Timers” meeting. **Non-chapter members will receive a raffle ticket for a free drawing.**

To get the most “bang for your buck” with your FMCA membership, belonging to one (or more) of the 50+ Chapters in the Western Area is truly the best way to go. You can share interests, information and make friendships that last a lifetime, besides travelling in your coach and having a good time!

At the Chapter Fair many of the Chapters will have a representative to share information about their Chapter and see if it fits into your lifestyle and interests and geographical location.

The Western Area is divided into three Regions: North, Central & Southern and each have a Vice President. These VP’s are the liaison to the Chapters in their Region.

In the pages that follow, we have listed each Chapter in a particular Region and what the “Scope” and interests of the Chapters are. You can look at this before going to the Chapter Fair and know which Chapters might be of interest to you and fit your travel perimeters. **Many of the Chapter’s scope fits into ALL 3 Regions so don’t look at just one Area.** Some chapters are only listed in one of the regions because that is where they were formed – they may be a state wide chapter.

NOTE: This information is as up-to-date as was possible at the time of this printing. There may be some changes in the chapter information contact person so if you are unable to contact that person, please feel free to contact the Vice President of that region.

Most of the Chapters in the Western Area are looking for new members to join their ranks and would love to share information about their particular chapter. Some Chapters are “brand specific” others have special interests, which might include, trains, crafts, religion, music, square dancing or just going to new places and exploring all there is to see.

Please join us at the Chapter Fair on Wednesday January 8, 2020 @ 1:30 PM in the Commerce Building, immediately after the First Timers meeting!

Wishing you happy & safe travels!

We normally schedule two rallies per year (location determined by rally host). Rally locations have been as far North as Canada, South to Mexico, and many locations West of the Mississippi River. Our rally emphasis is we go where our members want to go. We were chartered in 1989 and currently have over 100 members spread throughout Western United States and Canada. Rally attendance is somewhere between 20 to 40 rigs.

We actively support FMCA by providing a volunteer staff to man the FMCA clothing booth every year at the FMCA Indio Rally. We host a delicious BBQ rib dinner during this event in conjunction with our annual meeting for the all our overland trailblazers members. The Indio rally typically jump starts our year's activities.

We continue to recruit new members, so if you would like to enhance your FMCA membership, join our chapter that puts on quality rallies with like-minded friends. Contact person: Mark Whitmore (509) 334-9761

Rexasaurus': The Rexasaurus' Chapter of FMCA was formed in 1997 to promote social recreational information, exchange activities that provide for the enjoyment and pleasurable use of family member coaches. To be eligible for membership in the chapter a person must be in good standing with FMCA and meet the dues requirements and provisions set forth in the Bylaws and Standing Rules of this chapter. Our club meets every month excluding the months of July and August. Outings are normally held the first week of each month. Our outings extend from as far north as Pahrump, Nevada to as far south as the San Diego area. We are a fun group of people who enjoy traveling in our motorhomes. Our outings usually include afternoon social gatherings, at least one evening potluck as well as lots of sightseeing and card playing.
